**Subject: CSSI – Pre-qualification for procurement**

Dear Mr. Daugla Doumagoum Moto,

Reference is made to CSSI's submission for procurement pre-qualification. We also refer to several email exchanges on the matter.

In the interest of formalizing our email correspondence, UNHCR would like to thank you for the cooperation provided during the evaluation process and appreciates the effort your agency made to be compliant with UNCHR Partners Procurement Guidelines.

After completing the evaluation it was determined that CSSI's procurement policies and procedures meet the requirements for procurement pre-qualification.

I herewith confirm that UNHCR grants CSSI **Pre-qualification for Procurement status with national scope** to carry out procurement activities for UNHCR funded programs. This is valid from **22 April 2016 to 31 December 2020** when another evaluation shall be conducted.

Yours Sincerely,

Mr. Stephen Ingles  
Head of Procurement – UNHCR
